FIVE-PARTLIST...

The Germany list is now in 5 parts :

- 1 : German States (December list still valid)
 - 2 : Reich 1872-1918 & Colonies (February list still valid)
 - 3 : Weimar & Plebiscites (this one)
 - 4 : III Reich & Occupations (planned for April 2015)
 - 5 : Postwar Zones, West, DDR (planned for May 2015)
- Parts 4 & 5 will come to you over the next couple of months. Then the sequence will repeat from Part I States etc, at roughly monthly intervals.

Please keep this list in a handy place. You are welcome to order from it several times (we have a reasonably good stock of most of the regular stamps). Specialist items are only one of each available so subject unsold).

This month, there is much new stock in many areas.

Coming soon (April?) : All of our specialist stock of Germany will be listed and illustrated at a new website at www.stampsofgermany.com

For our Germany lists, half our Germany customers want Michel numbers and the other half prefer SG (Gibbons) numbers. So, both are provided here. Hope it doesn't make things too complex.

When you order, please mention whether you are using SG or Michel.

TERMS OF SALE

Minimum order £20 please, to allow for bank charges and business costs. I always find a few items sell out quickly. If you can list any alternatives, or pay by credit card or blank limited cheque, this helps us both.

I aim to send out normal orders from stock by return post. (Occasionally orders may take a little longer if the stock is at an exhibition).

Prices are in British £p. Exchange rates (approx):

£1 = USA \$1.50 £1 = Euro 1.40

Free first class or airmail (at customer's risk), or £7 extra for insurance if required. Orders for £200+ sent by registered mail free of charge.

Visa/ Mastercard cards are welcome. You can also pay by cheque in £p, or Euros (cash, or cheque on a French bank account).

We look forward to your order!
