### FIVE-PARTLIST...

The Germany list is now in 5 parts:

- 1 : German States (December list still valid)
- 2 : Reich 1872-1918 & Colonies (February list still valid)
- 3 : Weimar & Plebiscites 1919-1932 (March list still valid)
- 4 : III Reich & Occupations 1933-1945 (this one)
- 5 : Postwar Zones, West, DDR (June 2015).

Part 5 will come to you next month. Then the sequence will repeat from Part I States etc, at roughly monthly intervals.

Please keep this list in a handy place. You are welcome to order from it several times. We have a reasonably good stock of the regular stamps of Germany and should be able to fill most orders. The specialist stamps are all individual items, offered subject unsold.

For the Germany lists, half our customers want Michel numbering and the other half prefer SG, so both are provided here. Hope it doesn't make things too complex!

When you order, please mention whether you are using SG or Michel numbers.

### TERMS OF SALE

Minimum order £20 please, to allow for bank charges and business costs. I always find a few items sell out quickly. If you can list alternatives, or pay by credit card or blank limited cheque, this helps us both.

I aim to send out normal orders from stock by return post. (Occasionally orders may take a little longer if the stock is at an exhibition).

Prices are in British £p. Exchange rates:  
£1 = USA \$1.50      £1 = Euro €1.35

Free first class or airmail (at customer's risk), or £7 extra for insurance if required. Orders for £200+ sent by registered mail free of charge.

Visa/ Mastercard cards are welcome. You can also pay by cheque in £p, or Euro €(cash, or cheque on a French bank account).

**We look forward to your order!**
